

## Polaris Rigid Body Data Sheet

This data sheet is applicable to the Polaris® Rigid Body, Part Number 8700339. For information on your particular Polaris System, refer to the documentation that was delivered with the system.

### Marker Geometry

See over for specifications

## Specifications

**Material:** Aluminium

**Finish:** Bead blasted and black hardcoat anodized

**Weight:** 0.025 kg, including mounting posts

**Mounting:** M3 x 0.5

**Marker geometry:**

Marker	x (mm)	y (mm)	z (mm)
A	0.00	0.00	0.00
B	0.00	28.59	41.02
C	0.00	0.00	88.00
D	0.00	-44.32	40.45

The marker coordinates refer to the centre of the passive sphere markers.

## Disclaimers

NDI tools and clamps are not approved for medical use. Testing, certification and validation should be completed prior to use in any medical application. Please contact NDI for details.

NDI tools are designed for use with NDI passive spheres. Please contact NDI for details.

The user must determine the suitability of the Polaris System, tools and clamps for their own application.
